10 WAYS TO BOOST YOUR BOOTH

- Create a **Backdrop. Sign or Banner** that will attract attention. Maybe add some lighting for effect.
 Last year our booths were amazing, let's keep it up...
- Provide free **Give-a-ways** for Children and Adults at your table. There will be a lot of children coming by your booth with their parents.
- **Try not to stand or sit behind the table** and just answer questions. Get out in front of your display to greet people.
 If you need to be seated, simply sit in front of your table and not behind it.
- Provide a **Flyer or Brochure** about your ministry that is simple yet attractive.
- Work your booth by **engaging folks** in conversation or handing them an info card or brochure.
- Make sure your booth is **welcoming and inviting**. Don't just set up a table with a poster and expect people to be drawn to your booth. What if your booth looked like a living room or coffee shop?
- What can you do that will make your **booth pop?** (Video, Visual effects, brochures, candy, give-a-ways, etc...)
- Remember that your audience will include **people of all ages**. Think about what you might be able to offer an adult and a child. If children are drawn to your booth, then their parents will follow...
- **Have fun...** This will be a festive and fun event.
